

- To: Grassie Granite -  
We would like to tell you  
how pleased we were  
with our whole experience  
with your company.

Brenda was so  
helpful from the  
day we first came to  
your store. She walked  
us thru the whole

Process and was so helpful.  
Your installation crew  
was professional and did  
a wonderful job.  
You have a great  
team and we are so  
thrilled with our new  
granite. Thanks for  
everything!
